

## CHECKLIST

Disbursements are legal expenses that a lawyer passes on to a client, such as charges for photocopying, searching for documents, phone calls and messenger services.

When you meet with your family law practitioner you might try to assemble as much of this material as possible in order to save time and money by saving the cost of having your lawyer collect these materials.

Make sure to keep copies of any documents you bring to the meeting for your own records.

- **All personal information:**

- Name, date of birth and current contact information (address, phone, email)
